Short CV:

### 1. Education and training

Professor Brincat was trained in Obstetrics & Gynaecology at King's College Hospital School of Medicine and Dentistry qualifying from there in 1979. He undertook his postgraduate training at the same Medical School obtaining his MRCOG and also his PhD in 1985. His PhD thesis was on Connective Tissue Changes and HRT. He trained in Reproductive Medicine and was attached to Professor John Studd's Menopause Clinic. He worked for the various Consultants at King's College Hospital including Professor Charles Rodeck and Professor Linda Cardozo. He was a Senior Registrar at St George's Hospital when he completed his specialist training. In 1990 he was appointed Consultant and later in 1991 Professor and Head of Department, Department of Obstetrics & Gynaecology at the University of Malta Medical School. He runs a Royal College of Obstetricians and Gynaecologists recognised postgraduate training programme in Obstetrics and Gynaecology.

## 2. Work experience

Professor Mark P. Brincat is currently the Professor and Director of Department, of the NHS Department of Obstetrics and Gynaecology and at the University of Malta Medical School(1991- present). He was also previously a part-time Professor in Reproductive Medicine, at the University of Nottingham from September 1997 to August 2001.

## 3. Publication and Research

He is the author of over 200 publications and has edited three books.

## 4. Professional Membership

Professor Brincat is a Member of the European Board and College of Obstetrics & Gynaecology. He was the Chairman of the Malta Representative Committee of the Royal College of Obstetricians & Gynaecologists and the President of the Malta College of Obstetricians & Gynaecologists.. He serves on several international committees including the Mediterranean Reproductive Society of Medicine and was an elected Council Member of the International Menopause Society and is currently on the Council of the European Menopause Society. He is also Vice President of the Francophone Society of Contraception. He has experience in EU bodies, structures and regulations, took part in the programmes, and attended several EU meetings. He has travelled extensively.
